The Vaidika Group has maintained the highest standards of qualitative and quantitative delivery catering to the holistic needs of the Agriculture sector in India while fulfilling export orders globally.

The Taste Traders (T3) is the export division of The Vaidika Group which was established in 2000 and has since evolved into a leader in the agro industry in India. We have a dedicated team of professionals who have consistently contributed to enlarge the customer base globally.

Vaidika Global Trading UAE has been established in 2016 as an autonomous commercial enterprise to leverage the international network in commodity trading specializing in food grain and a bouquet of horticulture products including processed and frozen foods.

Quality: Techno-commercial scrutiny of our orders are carried out by world class certifying agencies like Société Générale de Surveillance (SGS), Geneva and Geochem International Independent inspection and Testing Company.

Certified by the Ministry of Commerce and Industry (Government of India) for Import & Export

APEDA - Agriculture & Processed Food Products Export Development Authority

Member of Spices Board for Export of Spices

Member Coconut Development Board, Ministry of Agriculture, Government of India.

Alliance partner with The Agriculture Finance Corporation India Limited, Mahratta Chamber Of Commerce Industries & Agriculture (MCCIA)

Clientele

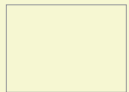

The Company has a strong Clientele in UK, EU and Russian including the African Markets and has abundant orders for export of food grain, vegetables, fruits and spices. With the leveraging of credit facilities, we can carry out uninterrupted supply to these markets throughout the year.
